Redeemed in 1841 by Thurston Bone
Redeemed in 1841 by Lewis Calvert

Record of the proceedings relative to advertising and selling the lands and town lots delinquent for the taxes for the year one thousand eight hundred and thirty nine, within the County of Brown Ohio, on which the taxes for the year one thousand eight hundred and forty have not been paid —

Be it remembered that the following lands and town lots as hereinafter set forth were regularly on the duplicate and sent out for collection in the hands of the proper county Treasurer for the year one thousand eight hundred and thirty nine; the taxes whereon not being paid for said year, the said county Treasurer returned the same delinquent therefor to the county Auditor; whereupon the said county Auditor made out and transmitted to the Auditor of State a list of said lands and town lots —

And afterwards (to wit) in the year one thousand eight hundred and forty (the taxes thereon not having been paid into the State Treasury, and the same certified to the said county Auditor by the Auditor of State,) the said county Auditor charged the same on the Duplicate of taxes for the year one thousand eight hundred and forty to which was added the taxes for the year one thousand eight hundred and thirty nine, with the interest thereon, to which was added a penalty of twenty five per centum thereon — The said taxes interest and penalty not having been paid, the said county Auditor did before the first day of October one thousand eight hundred and forty make out and cause to be published in the "Democratic Standard" a newspaper printed in Georgetown in said county of Brown four weeks in succession between the first day of October and the first day of December one thousand eight hundred and forty, a list of said lands and town lots, describing the same as the same were described on the tax duplicate, which list the said county Auditor did certify and sign his name thereto; to which list was attached a notice that if the said taxes interest and penalty should not be paid by the last Monday (the 28th day) of December next ensuing, that then and in that case each tract of land and town lot contained in said list, or so much thereof as would be necessary to pay said tax interest and penalty, would on the said last Monday (the 28th day) of December next be sold or offered for sale by the county Treasurer at the Court House in said county to pay such taxes interest and penalty — Which list is in the words and figures following (to wit)

1840
